Wycheproof Steam Train

Wycheproof Loves Steam Trains!

https://trinket.io/html/dfc9e92808

Wycheproof Steam Train

In this exercise you will be creating the web page, not just changing things.

Firstly, open the trinket reference shown on the front page (if you haven't already!).

The code has some blank lines where you can type in more code.

Each page has some code to type in. If you get stuck the answer is on the following page.

```
≡    🔑 trinket    C Autorun    ▼
