

Web Development – Introduction

CSS Revision 1

Complete the following two revision web pages.

CSS Revision

Download china01.html and compare with your solution.

Add a second image, summer_palace.jpg

Download lhc03.html and lhc03.css

Adjust indenting

Add a div to adjust centre and width

Add font-family and text centre to body style

Add lhc.jpg image

Change the borders onto the images (not div)

Imperial Palace

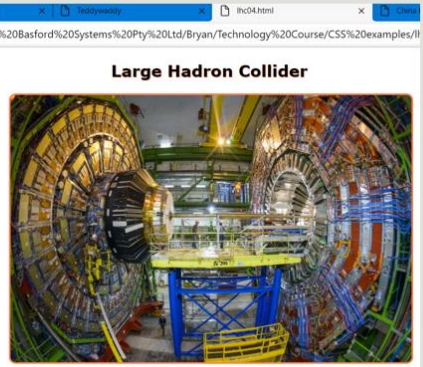

The Imperial Palace is located in Beijing adjacent to Tiananmen square.

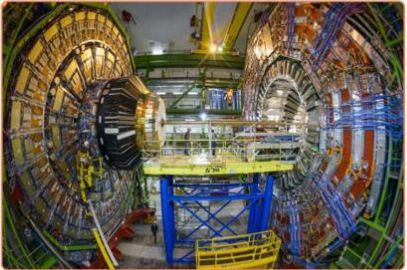

Summer Palace

The Summer Palace is surrounded by many lakes.

Large Hadron Collider

The Large Hadron Collider is famous as the greatest machine ever built, but many years ago one of the CERN scientists was responsible for the WWW.

Physicist Tim Berners-Lee was working at CERN when he invented the world wide web (WWW).
